

# Photography Exhibition 2010 Entry Form

The bi-ennial Exhibition is designed as a public showcase for the work of all local photographers. Everyone who enjoys using a camera is invited to submit their best photographs taken during 2010.

There's no theme to restrict your imagination: you can choose what to submit. The Selectors will be looking for an eye for a picture, originality, and prints that are well executed and presented. Subjects might include portraits, landscapes, sport, nature, humour, patterns, texture, local views, foreign travel, candid shots - it's up to you.

Entries chosen for exhibition will be selected by a distinguished panel chaired by Jay Charnock, FRPS, chairman of the Visual Art Group of the Royal Photographic Society, and former president of The Leica Fellowship and chairman of Richmond and Twickenham Photographic Society.

*This year the Exhibition will be held during 21 - 25 October at Duke Street Church in the centre of Richmond, a well-established venue for exhibitions and other public events, easily accessible by public transport and close to several car parks.*

**Closing date for entries: 30 September 2010**
